

Incidental costs to consider while budgeting

Event RV Rental

Volume 1, Issue 1

What additional fees may I encounter?

Camping Fees: Are not included in your rental. We prefer to pay your Camp Scholler camping fees so that we can use your credentials to place the camper prior to your arrival. A basic campsite without electric and water is \$22/night Electric and water sites are \$44/night. Your EAA Membership dues will have to be up to date in order for us to purchase your camp site. We will pay and add these to your charges if you have not done so by the time we place your camper. You will have to pay your own camping fees in all other camping areas **Fuel:** you will

be invoiced at the end of the event for any fuel you use to run your generator and Propane used for furnace, water heater, refrigerator and stove. **Fresh Water Fill** We use an outside vendor to handle all potable fresh water filling of your camper. You may pay him direct or he will have us invoice you for all water fills. The cost of water fill service is \$25 per visit up to 50 gallons. **Sewage Pumping:** Airventure has a contract with an outside vendor to pump out holding tanks. Keep an eye on your monitor panel and fill out a pump out requirement at the bath/ Shower houses or in the exhibitor offices. Warbirds and Sleepy Hollow can instruct you on where to go for pump-outs in

these areas. Cost is approximately \$25 per visit. **Taxes** The state of Wisconsin has sales tax of 5% and an additional rental vehicle tax of 5% for your rental.

The Extras:

- **CAMPING FEES**
- **GENERATOR FUEL**
- **PROPANE**
