

Generator Rentals
RSC Equipment Rental
5814 Green Valley Road
Oshkosh, WI 54904-9712
(920) 232-7368

Event RV Rental has pre-arranged a special price for our customers at RSC Equipment Rental of Oshkosh, WI.

You will pay RSC directly for your generator fees. We will coordinate the delivery of your generator directly to your site at no charge. Please let RSC Equipment Rental know that Event RV will be picking up your generator. Please call us as well at 920-756-2494 or e-mail eventrv@frontier.com so that we will know that you have rented a generator for us to pick up.

To run a single roof air unit you will need a minimum of a 3000 watt generator with a 20 amp or larger single outlet. We strongly recommend that you secure a Honda EU3000is. These generators have been flawless and quit.

Event RV Rental has electrical adapters to fit just about every generator. We will also provide a master lock, gasoline can, and chain to secure your generator. Please keep in mind that the security of this generator will be your ultimate responsibility.
